

2020 Browns Training Camp Media Practice Access and Reporting Policy

In your coverage of daily training camp practice sessions, we ask for your cooperation in observing the following practice policies:

- All media personnel must wear a mask, covering nose and mouth, at all times when at the club facility, including at practice.
- Media members will have designated areas of the practice field they must contain themselves to at all times, while socially distancing within the perimeters of their respected areas.
- Practice sessions are open to approved media in their entirety. However, there may be certain periods where we ask you not to film. This incorporates all video, including cell phones. At no point are wide, high angle shots of practice permitted.
- Tweeting and reporting during practice is permitted.
- Do not quote, paraphrase or report the comments made by coaches or players during a practice session.
- Media are prohibited from interacting with players and coaches during practice.
- Tripods are prohibited on the practice field. Equipment is not to be left unattended, especially near the practice field.
- All live shots/broadcasting should be arranged with the team's communications department.
- Live streaming through social media is prohibited.
- The Browns reserve the right to change their access policy without prior notice.
