DEFENSE NOTES

MIAMI HAS FORCED SIX TURNOVERS IN THREE GAMES

After not producing a takeaway in the first three weeks of the season, the Dolphins have now forced six turnovers in the past three games.

In Week 4, **CB Jack Jones** punched the ball out of Jets' RB Braelon Allen's hands at the goal line to keep the Jets from scoring, which was recovered by **S Minkah Fitzpatrick**.

On the ensuing drive, **LB Tyrel Dodson** strip-sacked Jets QB Justin Fields, leading to a fumble recovered by **LB Jaelan Phillips**.

In addition to the two defensive takeaways, rookie **S Dante Trader Jr.** forced and recovered a third fumble on the opening kickoff out of halftime.

It was the first time Miami forced three turnovers in a game since Jan. 7, 2024 against Buffalo.

The following week at Carolina, **LB Bradley Chubb** strip-sacked Panthers QB Bryce Young and recovered the fourth fumble of his career.

On the next defensive drive, **S Minkah Fitzpatrick** intercepted Young, logging the Dolphins' first interception of the season.

In both games, the Dolphins capitalized off the takeaways, scoring 14 points off turnovers against the Jets and 14 points off turnovers against Carolina.

It was the Dolphins' first time recording back-to-back games with 14-plus points off turnovers since 2001.

In Week 6 against the Chargers, **CB Rasul Douglas** forced a fumble, which was recovered by **LB Jordyn Brooks.** Miami capitalized with a 49-yard rushing touchdown by **RB De'Von Achane**.

The Dolphins' four defensive fumble recoveries from Week 4-6 are tied for most in the league in that span.

DEFENSE NOTES

DODSON CONTINUES TO MAKE AN IMPACT

LB Tyrel Dodson has recorded 46 tackles (29 solo), along with 2.0 sacks and a forced fumble this year.

He is one of only three players in the NFL this year with at least 45 tackles, 2.0 sacks and one forced fumble (Zach Baun, Phi.; Jack Campbell, Det.).

His 46 tackles are the second most among Dolphins defenders behind fellow linebacker Jordyn Brooks's 66.

Eleven of his 46 tackles came in the form of solo stops at Buffalo in Week 3, a career high for Dodson.

He followed that performance by recording nine tackles (five solo), 1.0 sack and a forced fumble against the Jets in Week 4.

Dodson also contributed 13 tackles (six solo) in Week 1 at Indianapolis and a team-leading nine tackles (six solo) versus New England in Week 2.

Dodson's strong start to the season resembles his quick impact in 2024.

After joining the team via waivers in Week 11 last season, he quickly became a staple of the NFL's fourth-ranked defense, finishing the year with 36 tackles (18 solo), three interceptions and four passes defensed.

He was the only linebacker in the 2024 season to have three interceptions and one of six players with at least three interceptions from the time he joined the team in Week 11 to Week 18.

WELCOME BACK, BRADLEY CHUBB

LB Bradley Chubb, who missed the 2024 campaign recovering from injury, has 4.0 sacks in six games this year.

With a sack in Weeks 1, 2 and 3, Chubb became the first Dolphins player to record a sack in each of the first three games of the year since Trace Armstrong recorded four-straight games with a sack to the start the 2000 season.

Chubb followed that up with a strip-sack of Panthers QB Bryce Young in Week 5 at Carolina, recovering the fumble on the Panthers' opening drive.

The play marked Chubb's **14th-career forced fumble** and **fourth fumble recovery**. It was also Chubb's 12th-career strip-sack and his first since 2023.

Chubb is **one of two NFL players this year with 4.0 sacks, one forced fumble and one fumble recovery** (Danielle Hunter, Hou.).

A two-time Pro Bowl selection (2020, 2022) and a 2025 Dolphins team captain, Chubb has recorded 271 career tackles (167 solo), 43.5 sacks, one interception, 14 forced fumbles and four fumble recoveries.

His 43.5 sacks rank eighth among active outside linebackers since he entered the league in 2018, while **his 14 forced fumbles are tied for the ninth most** among all active players in that span:

DOLPHINS-BROWNS FLASHBACK: 1972 AFC DIVISIONAL

Miami's first win against Cleveland came in the 1972 AFC Divisional round. It was a tight affair with the Dolphins jumping out to a 10-0 lead. However, with just over eight minutes remaining, QB Mike Phipps threw a 27-yard touchdown to WR Fair Hooker, giving the Browns a 14-13 lead and putting the Dolphins undefeated season in question.

Miami would regain the lead with five minutes to go behind an eight-yard RB Jim Kiick rushing touchdown, making the score 20-14. Still, Cleveland posed a threat with multiple minutes on the clock.

As the Browns entered Miami territory with less than a minute, LB Doug Swift would be the hero, snagging his second interception of the day and the team's fifth. Miami would preserve their undefeated record and continue along their journey to finish the NFL's lone undefeated season.

MIAMI 20	CLEVELAND 3

SCORING SUMMARY

Miami	3	3	7	7	20
Cleveland	0	3	0	0	3

The Miami Dolphins kept their playoff hopes alive on Sunday afternoon, defeating Cleveland 20-3 at Huntington Bank Field. With the win, the Dolphins climb to 8-8 on the season and are just one game back from the final AFC wild card spot. Miami's defense disrupted Cleveland all game long. The Browns totaled just 276 yards of offense, with QB Dorian Thompson-Robinson completing 24 of his 47 passing attempts (51.1 pct.) for only 170 yards and an interception.

QB Tyler Huntley was dynamic in his fourth start of the season, making plays with both his arm and his legs. He ended the game completing 22-of-26 passes (84.6 pct.) for 225 yards and a touchdown, adding a game-high 52 rushing yards and a touchdown on seven carries (7.4 avg.).

Huntley started out the game strong, completing six of his first seven passes. He led Miami into scoring position on its second drive of the game, with K Jason Sanders nailing a 54-yard field goal to give the Dolphins an early 3-0 lead with 5:46 left in the first quarter. This was Sanders' ninth consecutive made field goal from 50-plus yards away, bringing his season total from such a distance to 12-of-14.

The Browns answered on their next offensive possession, as Thompson-Robinson and RB Jerome Ford led a 14-play, 66-yard drive that took up 7:20 of game time. Cleveland was able to move the ball inside of Miami's 10-yard line, but the defense held strong in the goal-to-go situation, forcing K Dustin Hopkins into a 25-yard field goal.

Punts from both teams maintained the 3-3 stalemate well into the second quarter when LB Tyrel Dodson, who had a game-high 15 tackles on the evening, made a pivotal defensive play for the Dolphins. On a first-and-10 pass intended for WR Jerry Jeudy, Dodson dropped back into coverage and picked off Thompson-Robinson at the 50-yard line. Dodson, a six-year veteran, has recorded both of his two career interceptions over his seven games this season with Miami.

The Dolphins defense made another crucial play later in the second quarter, stuffing RB D'Onta Foreman on fourth-and-1 to retain possession of the ball with 45 seconds left in the first half. Huntley led Miami into field goal position on this quick drive, completing passes of 12, seven and nine yards to rookie WR Malik Washington to set up a 39-yard field goal by Sanders as time expired to extend the lead to 6-3 at halftime.

Huntley continued his precise passing coming out of the break. He completed all four of his passes on Miami's first drive of the second half, with a 16-yard strike to WR River Cracraft presenting the Dolphins with their first trip to the red zone of the game. On the ensuing play, Huntley scrambled past the line of scrimmage and ran 13 yards into the end zone for a touchdown to widen Miami's lead to 13-3 with 11:04 remaining in the third quarter. This was Huntley's second rushing touchdown of the season.

The Dolphins defense continued to make big-time plays throughout the second half, including a strip sack by LB Emmanuel Ogbah that was recovered by DT Da'Shawn Hand, as well as a fourth-down stop in the red zone that preserved Miami's 10-point lead in the fourth quarter.

The offense iced the game with 3:38 left in the fourth, as Huntley connected with TE Jonnu Smith for a seven-yard score that gave the Dolphins a 20-3 lead. The touchdown was Smith's seventh receiving touchdown of the year, tying the single-season record by a Miami tight end. WR Tyreek Hill led the Dolphins with a team-high nine receptions for a game-high 105 yards (11.7 avg.). Washington had four receptions for 41 yards (10.3 avg.).

DESIGN

Hard Rock Stadium and its surrounding properties has undergone a private investment of more than $1 billion by Managing General Partner & Chairman of the Board Stephen Ross to transform the iconic venue into a global entertainment destination that showcases the best Miami has to offer. From world-class dining to arts, culture and luxury hospitality, Hard Rock Stadium delivers an elevated guest experience that is unparalleled in professional sports. Every aspect of the venue has been touched during the multi-year development and renovation, which began in 2015. New seating experiences were introduced within the bowl as well as many new premium clubs. The renovation brought four high-definition video boards and the installation of a state-of-the-art canopy that keeps as many as 92 percent of guests in the shade. Remodeled, modernized suites throughout the stadium offer a more intimate club space with improved amenities and food, as well as the addition of theatre boxes and four new corner clubs. The property also includes the Baptist Health Training Complex, the 227,000 square foot training facility of the Miami Dolphins that opened in 2021, the Miami International Autodrome, a Formula 1® circuit that opened in 2022, and the autodrome's Paddock Club building, a 190,000 square foot building constructed in 2023 that houses F1 team pit garages and premium hospitality space.

SUSTAINABILITY

In 2024, Hard Rock Stadium and the Miami International Autodrome Paddock building received the Leadership in Energy and Envionmental Design (LEED) Gold v4.1 O+M certification for overall sustainability. Hard Rock Stadium is now one of six NFL stadiums that has received LEED Gold or higher certifications for operations of the facility and the Miami International Autodrome is the only Formula 1 venue in the United States to receive the FIA Three-Star Enviornmental Accreditation rating. In late 2019, Hard Rock Stadium began phasing out 99.4 percent of fan-facing single-use plastics in the food and beverage operation, which eliminated a total of 2.8 million units of plastic annually. The venue became the second in the United States to make the wholesale move away from plastic cups, and the first within professional sports. A member of the Green Sports Alliance, Hard Rock Stadium also diverts waste from landfill through innovative sustainability efforts that include bio digesters – composting through liquid food digesters – and recovering kitchen oil into biofuel, creating renewable energy.

TECHNOLOGY

Hard Rock Stadium maintains a commitment to providing its guests with the most innovative technology. The venue has been cashierless since 2020 and was one of the first stadium's to have both checkout-free food and beverage and retail stores, powered by Amazon's Just Walk Out technology. With the 5G Ultra Wideband installation in partnership with Verizon, Hard Rock Stadium sits at the forefront of technological advancements and strives to make each experience for its guests as seamless and user-friendly as possible.

WORLD-CLASS FARE

Hard Rock Stadium embarked on a journey of listening to guests and asking what they prefer for their palate on game day. Years later, this commitment to bring fresh, diverse flavor to guests remains strong. An emphasis is placed on innovative, local cuisine, and together with hospitality provider Sodexo Live!, the venue curates an unparalleled food and beverage experience throughout the facility to all guests.

MIAMI DOLPHINS CONTINUE MONTH-LONG FOOTBALL UNITES™ JASON JENKINS DAYS OF SERVICE ACROSS SOUTH FLORIDA

Dolphins expand community effort to a month-long service initiative in honor of the late executive's legacy of giving back to the community

The Miami Dolphins announced the third annual Football UNITES™ Jason Jenkins Days of Service on Wednesday, Oct 1. Expanding from a single day to a month-long effort this year, the initiative is held annually in October to honor and carry on the legacy of Jason Jenkins, the late Dolphins senior vice president of communications and community affairs, who dedicated his life to serving the South Florida community. The initiative will culminate with the Dolphins' Thursday Night Football game against the Baltimore Ravens at Hard Rock Stadium on October 30, which also marks Jason's birthday.

Throughout the month of October, Dolphins players, staff and alumni – along with executives and staff from Hard Rock Stadium, the Miami Open presented by Itaú and the FORMULA 1® CRYPTO.COM MIAMI GRAND PRIX – have joined community partners, elected officials, corporate partners and members of the South Florida community in a series of service projects across the tri-county area. Each project designed with the mission of the Football UNITES program, which Jenkins created – bringing people together, growing the game of football and supporting economic and academic advancement across South Florida.

The series kicked off on Oct. 2 in Homestead, Florida, with a Football UNITES™ Cultural Celebration held in collaboration with the Mexican American Council. Elizabeth Jenkins, Dolphins Cancer Challenge board chair and wife of Jason Jenkins, along with her three children, joined students and staff to participate in service projects while learning about the rich traditions, history and influence of the Mexican American community in South Florida.

Service projects across South Florida include:

- Reading to elementary school students
- Junior Dolphins field days and school-based activities
- Serving meals to displaced individuals, families facing food insecurity and local seniors
- Food distribution and marketplace support providing essentials to families in need
- Community beautification and garden projects
- Supporting local organizations' Halloween festivities
- A baby shower for local veteran moms
- Assembling care kits for individuals experiencing homelessness
- Assisting teachers at the Red Apple Store
- Hosting bike safety events with free helmets
- Celebrating music and culture with local organizations
- Supporting the 5000 Role Models Police & Youth Conference
- Volunteering at Special Olympics Florida's regional fall event

The Dolphins will celebrate this month of service at the Ravens vs. Dolphins game at Hard Rock Stadium on October 30. For the first time, fans attending the game will be invited to participate in a volunteering effort on the South Plaza ahead of kickoff. The Jenkins family will also be recognized during the game.

Last year, nearly 650 volunteers dedicated 1,600 service hours across more than 25 community projects, impacting more than 22,000 South Florida residents. This year, the Dolphins organization is building on that success, expanding its reach and deepening its local impact.

Jenkins joined the Dolphins in 2009 and spent 14 years serving the organization and South Florida community. As senior vice president of communications and community affairs, he led the organization's communications and community programs, spearheading initiatives like the Junior Dolphins, Football UNITES™ and the Dolphins Cancer Challenge – programs that became models for the NFL. Jenkins passed away unexpectedly in August 2022, leaving a legacy of lasting impact, and the Dolphins continue to honor that through the Football UNITES™ Jason Jenkins Days of Service held each year in October.

The Dolphins encourage members of the community to get involved throughout October by giving their time, skills or resources to improve South Florida. For more information on the Football UNITES™ Jason Jenkins Days of Service initiative and to learn how to get involved, visit www.miamidolphins.com/remembering-jason-jenkins/.

MIAMI DOLPHINS SPOTLIGHT DOLPHINS CANCER CHALLENGE DURING CRUCIAL CATCH MATCHUP AGAINST LOS ANGELES CHARGERS

This past Sunday, the Miami Dolphins highlighted the Dolphins Cancer Challenge (DCC) through a series of pre-game and in-game activations as part of the NFL's Crucial Catch initiative, as the Dolphins faced off against the Los Angeles Chargers.

Pre-game activations in the Dolphins Fan Zone highlighted the DCC and promoted the "One-Team-One-Fight" mission, emphasizing collaboration in the fight against cancer. On the field, a check presentation showcased the $15 million raised in support of cancer research at Sylvester Comprehensive Cancer Center, part of UHealth – the University of Miami Health System, during DCC XV – the organization's annual ride, run, and walk event held this past February. Representatives from the Miami Dolphins, Sylvester and its partners were on hand to celebrate the milestone. During halftime, survivors from Sylvester's Believe in You Program, a 19-week cancer survivor training program, joined doctors on the field for an interactive throwing competition that contributed to their team's DCC fundraising goal. At the conclusion of the halftime, three cancer survivors from the Believe In You Program rang the Living Proof bell, symbolic of the completion of treatment and triumph over cancer.

DCC XV – hosted this past February at Hard Rock Stadium's Miami International Autodrome – brought together a record 7,300 participants, raising over $15 million for life-saving cancer research. Miami Dolphins players, including quarterback Tua Tagovailoa, participated alongside Managing General Partner/Chairman of the Board Stephen M. Ross, Vice Chairman, President and CEO Tom Garfinkel and head coach Mike McDaniel, all joining in to ride, run, or walk in support of the cause.

This milestone brought the DCC total contribution to Sylvester to nearly $100 million in support of cancer research and care at Sylvester. Fans can join the mission by registering for DCC XVI, scheduled for Saturday, Feb. 28, 2026, at Hard Rock Stadium's Miami International Autodrome. Registration is now open, visit RideDCC.com to sign up or donate.

GAME RECAP

Miami traveled to Indianapolis to open the 2025 season but could not overcome turnovers and missed opportunities in the first half. Behind Colts quarterback Daniel Jones and a balanced rushing attack, Indianapolis built a commanding lead early, forcing the Dolphins to fall, 33-8, at Lucas Oil Stadium on Sunday afternoon.

The Colts set the tone early, marching down the field on their opening possession before settling for a 24-yard field goal by kicker Spencer Shrader. After an interception by safety Camryn Bynum gave the Colts the ball back in the first quarter, Jones found wide receiver Michael Pittman Jr. for a 27-yard touchdown. Jones later scored on a 1-yard QB sneak, and a Shrader field goal gave Indianapolis a 20-0 advantage going into halftime.

Miami could not get on track coming out of the half, as an interception by defensive lineman Laiatu Latu led to another Shrader field goal. After a turnover on downs, the Colts extended their lead with another rushing touchdown from Jones in the fourth quarter.

Running back De'Von Achane scored Miami's first touchdown of the season with 6:29 left in the fourth quarter. After catching a short pass from quarterback Tua Tagovailoa and turning it upfield for 11 yards, the second-year back capped the drive by powering into the end zone. Tagovailoa then connected with tight end Julian Hill on the two-point conversion. Indianapolis answered with a 48-yard field goal from Shrader for the final score of the day.

GAME RECAP

After falling behind 12-0 in the first quarter, Miami responded with a pair of touchdown passes from quarterback Tua Tagovailoa. Wide receiver Jaylen Waddle pulled in an 18-yard score in the second quarter, and running back De'Von Achane followed with a 29-yard catch-and-run touchdown just before halftime. That cut the deficit to 15-14, giving the Dolphins momentum heading into the break.

The spark carried over into the third quarter. Wide receiver Tyreek Hill hauled in a 47-yard deep ball on Miami's opening drive of the half which set up a 40-yard field goal by kicker Riley Patterson, giving the Dolphins a 17-15 lead. Patterson added another kick minutes later to stretch the margin to 20-15.

Linebacker Jordyn Brooks added to the surge with an 11-yard sack of Patriots quarterback Drake Maye as the defense forced a quick punt. New England answered late in the quarter when running back Rhamondre Stevenson hauled in a 55-yard pass that set up a 6-yard scramble by Maye for a score, giving the Patriots a 23-20 advantage.

With 7:38 remaining in the game, wide receiver Malik Washington flipped the momemtum back in Miami's favor with a 74-yard punt return touchdown to give the Dolphins a 27-23 advantage. New England was quick to respond, as return man Antonio Gibson took the ensuing kickoff 90 yards for a touchdown, swinging the lead back to New England, 30-27.

Miami's offense continued to battle. Tagovailoa connected with wide receiver Nick Westbrook-Ikhine for a pair of first downs before linebacker Marte Mapu intercepted Tagovailoa, which led to a Patriots field goal. The Dolphins had one last chance in the final minute. Achane nearly broke free on a catch-and-run before stepping out of bounds at the New England 26-yard line. Two penalties and a sack ended the drive, and the Patriots kneeled out the clock.

GAME RECAP

Miami set the tone immediately when wide receiver Dee Eskridge returned the opening kickoff 54 yards to put the Dolphins in Buffalo territory. Quarterback Tua Tagovailoa led a 10-play, 47-yard drive capped by rookie running back Ollie Gordon II's 2-yard touchdown run — the first of his NFL career. Kicker Riley Patterson added the extra point for a 7-0 lead.

Buffalo answered quickly with a 7-play, 85-yard drive capped by a tight end Dalton Kincaid touchdown. The Bills added another score on their next possession when quarterback Josh Allen connected on a shovel pass to tight end Jackson Hawes from five yards out, giving Buffalo a 14-7 advantage.

Miami's defense responded by keeping the Bills in check over the next two drives. Safety Ashtyn Davis broke up a would-be touchdown in the end zone, and linebacker Bradley Chubb recorded his third sack in as many games at the 6:53 mark of the second quarter. That stop forced Buffalo into a field goal try, which kicker Matt Prater missed wide left.

The Dolphins capitalized just before halftime with their most sustained march of the afternoon — a 16-play, 71-yard drive that chewed nearly six minutes off the clock. Wide receiver Tyreek Hill converted a third down with a 19-yard grab, and Tagovailoa capped the series with a 3-yard touchdown pass to wide receiver Jaylen Waddle, tying the game at 14 heading into the break.

Buffalo regained momentum to start the second half. Running back James Cook finished an 8-play, 61-yard drive with a 2-yard rushing score to give the Bills a 21-14 advantage. Miami went three-and-out on its first two possessions of the half before finally breaking through again. Tagovailoa connected with Waddle on a fourth-and short for 15 yards to extend the drive, which running back De'Von Achane followed with a 14-yard rush. On the next play, Tagovailoa lofted a 7-yard touchdown pass to Hill in the back corner of the end zone, tying the score once more at 21-21.

On the next drive, the Miami defense forced the Bills to punt, but a penalty on the ensuing play resulted in a first down for Buffalo. A few plays later, Allen found wide receiver Khalil Shakir for a 15-yard touchdown, swinging the lead back in Buffalo's favor, 28-21, early in the fourth quarter.

Miami's hopes of a comeback were stalled with a linebacker Terrell Bernard interception, giving Buffalo the ball back with 3:06 left in the contest. A Prater field goal marked the final scoring play of the night, giving the Bills a 31-28 lead with less than a minute to play. The Dolphins' final drive ended as time expired.

GAME RECAP

The Miami Dolphins earned their first win of the season on Monday night, forcing three turnovers while leaning on tight end Darren Waller in a 27-21 victory over the New York Jets (0-4) at Hard Rock Stadium. The win extended Miami's home dominance over the Jets, who haven't won in Hard Rock Stadium since 2015.

Miami set the tone immediately when wide receiver Malik Washington returned the opening kickoff 34 yards. Quarterback Tua Tagovailoa led a 10-play drive capped by a 47-yard Riley Patterson field goal to give Miami a 3-0 lead.

The Jets responded with a lengthy march inside the Miami red zone, but cornerback Jack Jones delivered a critical takeaway, stripping running back Braelon Allen at the 1-yard line with 3:06 left in the first quarter. Safety Minkah Fitzpatrick recovered the football to preserve the lead.

Tagovailoa and the offense capitalized with their longest possession of the game — a 15-play, 96-yard drive that lasted 8:40. On fourth down from the Jets' 4-yard line, Tagovailoa lofted a high pass to Waller in the back of the end zone, who outleaped his defender for his first touchdown since Oct. 22, 2023. It was his first score in a Dolphins uniform and raised Miami's lead to 10-0.

New York again threatened on its next drive, but the Dolphins' defense came up big. Linebacker Tyrel Dodson blitzed on fourth down and knocked the ball free from Jets quarterback Justin Fields. Linebacker Jaelan Phillips recovered it to give Miami its second takeaway of the night. The Jets managed to get on the board before halftime with a 58-yard field goal by kicker Nick Folk, trimming the margin to 10-3 at the break.

The defense struck again to open the second half when rookie safety Dante Trader Jr. forced and recovered a fumble on the kickoff return, Miami's third takeaway of the game. Big gains from Tyreek Hill and De'Von Achane pushed the Dolphins into the red zone, and Tagovailoa once again turned to his new weapon. Waller hauled in his second touchdown of the night, capping a six-play, 36-yard drive to make it 17-3.

Fields provided a quick answer, scrambling 43 yards for a touchdown to bring the Jets within seven, but Miami countered immediately. Tagovailoa connected with wide receiver Jaylen Waddle twice on the next series before Achane powered through multiple tackles on a 9-yard touchdown run, restoring a two-score lead at 24-10.

Patterson later added a 36-yard field goal to extend the advantage to 27-13 with 3:33 remaining in the contest. The Jets closed the gap on a 23-yard touchdown catch by wide receiver Garrett Wilson and a successful two-point conversion to bring the score to 27-21, but Waller — once again making his presence felt — secured the ensuing onside kick and Miami's defense closed it out.

GAME RECAP

Miami started the game strong, as quarterback Tua Tagovailoa led an 11-play, 48-yard drive that chewed up nearly six minutes of clock, highlighted by a 34-yard completion to tight end Darren Waller. Kicker Riley Patterson capped the series with a 43-yard field goal to put Miami ahead, 3-0.

Moments later, linebacker Bradley Chubb swung momentum further in the Dolphins' favor. At the 6:37 mark of the first quarter, Chubb strip-sacked Panthers quarterback Bryce Young at the Miami 36-yard line and recovered the fumble himself — the team's fourth recovery in the last five quarters.

Tagovailoa turned the takeaway into points. He orchestrated a 14-play, 58-yard march that ended with a 10-yard touchdown pass to running back De'Von Achane in the back right corner of the end zone, extending Miami's lead to 10-0 early in the second quarter.

Carolina's next drive stalled when safety Minkah Fitzpatrick intercepted Young at the Miami 44-yard line. The pick from Fitzpatrick marked his first of the season and set up a short field for the offense. Tagovailoa capitalized again, connecting with Waller on a 21-yard strike to move Miami into the red zone. Tagovailoa found Waller up the middle for a 4-yard touchdown to extend Miami's lead, 17-0.

The Panthers responded late in the half. A touchdown from wide receiver Xavier Legette and a 35-yard field goal from kicker Ryan Fitzgerald made it 17-10 at halftime.

Carolina opened the second half with a promising drive, but Miami's defense held firm. On third down, linebacker Jaelan Phillips burst through the line and sacked Young for a 9-yard loss, forcing the Panthers to settle for a 49-yard field goal that cut the Dolphins' lead to 17-13 with 12:35 remaining in the third quarter. Linebacker Jordyn Brooks and defensive tackle Kenneth Grant split a sack with 57 seconds remaining, forcing Carolina to punt as the entered the final quarter.

The Panthers responded with a 7-play, 85-yard scoring drive, led by running back Rico Dowdle. His 1-yard touchdown run gave Carolina a 20-17 lead with 6:10 left to play.

Miami answered immediately. Wideout Malik Washington returned the kickoff 40 yards to near midfield, then three plays later, Tagovailoa found wide receiver Jaylen Waddle racing downfield for a 46-yard touchdown. Patterson's extra point reclaimed the lead, 24-20, with 4:50 left in the contest.

Carolina responded with an 8-play, 83-yard scoring drive that ended in a touchdown pass to tight end Mitchell Evans, giving the Panthers a 27-24 lead with 2:03 left in the game. Miami could not capitalize on the ensuing possession, sealing Carolina's victory.

GAME RECAP

Miami started strong with wide receiver Malik Washington returning the opening kickoff 45 yards, but on the second play from scrimmage, a pass deflected off wide receiver Jaylen Waddle's hands into the arms of Chargers safety Tony Jefferson for an interception. Defensive tackle Kenneth Grant recorded the first full sack of his career in the red zone, forcing the Chargers to settle for a 35-yard field goal by Dicker.

Following a Dolphins punt on the ensuing drive, the Miami defense continued its early surge. Cornerback Rasul Douglas forced a fumble at midfield, which was recovered by linebacker Jordyn Brooks at the Chargers' 49-yard line. On the next play, running back De'Von Achane took the handoff, bounced to the right sideline and sprinted 49 yards untouched for a touchdown, giving Miami a 7-3 lead. The Chargers added a 31-yard Dicker field goal late in the first quarter to trim the margin to 7-6.

The second quarter featured a series of lead changes, as both teams exchanged field goals to make it 10-9 Miami with 4:09 left in the half. Tagovailoa led a crisp two-minute drill, connecting with Waddle for a 45-yard strike down the left sideline to the Chargers' 17-yard line with 46 seconds remaining. A 27-yard field goal from kicker Riley Patterson extended Miami's lead, 13-9, going into halftime.

After the break, Chargers quarterback Justin Herbert directed a 13-play, 72-yard drive capped off by a 5-yard touchdown to wide receiver Ladd McConkey, putting the Bolts ahead 16-13. On Miami's next series, Chargers cornerback Benjamin St-Juste intercepted a pass at the Miami 37-yard line, which led to a touchdown catch from running back Kimani Vidal to extend their lead, 23-13, with 3:55 left in the quarter.

A 35-yard field goal by Dicker made it 26-13 in the fourth quarter, but Miami punched back. Tagovailoa targeted five different Dolphins before Achane finished a 9-play, 69-yard drive with a 4-yard scoring run, pulling Miami within one score, 26-20.

After a defensive stop, Tagovailoa led a 13-play, 82-yard scoring drive capped by a tight end Darren Waller score to give Miami the lead, 27-26, with 46 seconds to play. The Chargers made their way into field goal range after a 42-yard catch from McConkey, and Dicker drilled a 33-yard field goal in the final seconds for the decisive score, 29-27.

STEPHEN ROSS

CHAIRMAN OF THE BOARD / MANAGING GENERAL PARTNER
COLLEGE: MICHIGAN
NFL: 18TH SEASON
DOLPHINS: 18TH SEASON

Stephen M. Ross is the CEO and Chairman of Related Ross, Founder and Non-Executive Chairman of Related Companies and Chairman and Managing General Partner of the Miami Dolphins, Hard Rock Stadium and Formula 1® Crypto.com Miami Grand Prix.

In 1972, Ross formed Related Companies, which has grown into one of the most prominent privately owned real estate firms in the United States. Known for developing the neighborhood-defining Hudson Yards in Manhattan, the company was recently named one of the 50 Most Innovative Companies in the World by Fast Company Magazine and boasts more than $60 billion in assets owned or under development across the United States. In 2024, Ross founded and became Chief Executive of Related Ross, which has already become the largest commercial-property owner in downtown West Palm Beach. Focused on continued development and inclusive economic growth across South Florida, Related Ross has attracted a new generation of leaders across finance and technology to The Gold Coast and elicited renewed interest and investment in the region. Ross first invested in the Miami Dolphins in February 2008 and assumed the responsibilities of managing general partner of both the Miami Dolphins and Hard Rock Stadium in 2009. The role is the culmination of one of his long-held dreams — Ross grew up in South Florida and the Dolphins have been a lifetime passion for him.

Throughout the Dolphins organization, Ross' ethos of building a first-class team on and off the field is etched deep. His more than $1 billion of private investment in Hard Rock Stadium and its surrounding properties – most notably to modernize the stadium from 2015-17 – has transformed the iconic venue into a global entertainment destination that showcases the best Miami has to offer and attracts a talent and event lineup that is unparalleled in professional sports. As a result of Ross' vision and investment, Hard Rock Stadium secured events such as Super Bowl LIV – which coincided with the 100th season of the NFL – as well as the 2021 and 2026 College Football Playoff National Championships, the Formula 1® Crypto.com Miami Grand Prix, 2026 FIFA World Cup, major global concert tours, international soccer matches and a host of world-class events over the past decade.

With football, Ross has demonstrated a steadfast commitment to provide coaches, players and support staff the resources necessary to build a winning team that will compete for championships. He invested $135 million into the state-of-the-art Baptist Health Training Complex, which opened in July 2021. In the annual NFLPA Player Team Report Cards survey, Ross has received the highest ownership grade among all NFL team owners each of the past two years and the Dolphins were ranked first among all 32 teams in both 2024 and 2025, which scores the player experience in a variety of categories. As a result of Ross' investment, the Dolphins received an A-or-higher rating in all 11 categories each year, including first overall in weight room, training room and training staff, food/cafeteria and team travel. The team finished second among all teams in the inaugural survey in 2023. Ross has also invested in the players' personal and professional development off the field, creating and funding the Dolphins Business Combine — a three-day event which allows players to meet with business leaders across a variety of industries and receive training on topics like personal finance, real estate and investments — since 2017.

In 2016, Ross named Chris Grier as general manager and in 2019 gave him full control of football operations. Under Grier's leadership, the team delivered four consecutive winning seasons from 2020-23, marking a first for the franchise in two decades (2000-03). In 2022, Ross selected Mike McDaniel as the team's 11th head coach, who at the time had not received a head coach interview request from another team. Ross identified McDaniel's ingenuity, authentic leadership and innovative thinking as notable traits for a head coach, and in his first two years with the franchise, McDaniel led the team to the playoffs, something Miami had not done in more than 20 years.

Ross has broadened his sports and entertainment portfolio considerably since assuming primary ownership of the Dolphins in 2009, developing what is widely considered one of the most dynamic global operating enterprises in sports and entertainment.

In 2012, Ross established RSE Ventures, a multi-national sports, entertainment and technology investment firm for which he serves as Chairman. That same year, Ross founded global soccer media company Relevent through RSE Ventures. Initially focused on live events, Relevent successfully orchestrated the first-ever El Clásico hosted in North America. The 2017 match between Barcelona and Real Madrid stands as the highest-revenue-grossing soccer match in U.S. history.

Shortly thereafter, Relevent began transitioning its business from event promotion to commercial rights representation. In the years since, it has since grown into the leading and most influential privately-owned commercial partner in soccer worldwide, working with leagues, governing bodies, and other properties to sell media, sponsorship and licensing rights. In 2025, Relevent won a landmark mandate to represent the UEFA men's club competitions — including the UEFA Champions League, Europa League, and Conference League — in the sale of their global media and sponsorship rights for the 2027-2033 cycle. The company's other market-leading partnerships include LALIGA North America, a 20-year joint venture with LALIGA for North and Central America, a 17-year partnership with Bundesliga for the Americas, the Premier League Summer Series event platform in the United States and a media rights, content and marketing partnership with the EFL across the Americas.

Ross also expanded his South Florida sports portfolio beyond the Dolphins and Hard Rock Stadium, adding the Miami Open tennis tournament and the Formula 1® Crypto.com Miami Grand Prix to his growing list of sports and entertainment properties. In 2017, when Miami Open organizers began to explore leaving the tournament's longtime home in Key Biscayne, Florida, Ross stepped in to propose hosting the tournament at Hard Rock Stadium. Two years later, the Miami Open debuted in its new home in Miami Gardens, where Ross had spearheaded and funded the construction of a custom tennis complex that is now considered one of the best in professional tennis in terms of guest experience and player amenities. The tournament, which is one of the sport's most prestigious outside of the four Grand Slams, has consistently delivered record attendance and revenue in the years since.

In April 2021, Ross became the Chairman and Owner of the Formula 1® Crypto.com Miami Grand Prix. As one of the few sports properties with true global appeal — rivaling the likes of the Olympics and World Cup in terms of consumer interest worldwide — Formula 1 represented a significant opportunity for South Florida to draw widespread attention from and become culturally relevant to a massive international sports audience. Ross and Managing Partner of the Formula 1® Crypto.com Miami Grand Prix, Vice Chairman and CEO Tom Garfinkel worked with specialist designers to create a racetrack that provides great racing and unique fan experiences that are reflective of the diverse and dynamic nature of Miami, with Hard Rock Stadium sitting at the heart of the circuit – made possible as a result of Ross' sole ownership of the venue and surrounding property, as well as his private investment to build the FIA Grade One track. The inaugural race was named the Best New Event of 2022 by the Sports Business Journal and the organization was named Promoter of the Year by Formula 1 after just the third edition of the event, while delivering an estimated economic impact of more than $1 billion to the local area. Thanks to Ross' efforts, the Formula 1® Crypto.com Miami Grand Prix has cemented itself as America's premier Formula 1 race and a marquee event at the intersection of sports and culture, with a new extended contract through 2041, making it the longest agreement in the sport.

Following these successes, Ross has taken further steps to realize his ambitions of transforming South Florida into a leading global sports hub. He facilitated the sale of a 13% stake in the Dolphins, Hard Rock Stadium and the Formula 1® Crypto.com Miami Grand Prix to Ares Management funds and Brooklyn Nets owners Joe Tsai and Oliver Weisberg in December 2024, with the raise intended to fuel continued investment into his diverse South Florida-based sports and entertainment portfolio. Ross also played a central role in securing Miami-Dade as a host for the 2026 FIFA World Cup 2026, with the region's matches set to take place at Hard Rock Stadium. The event will showcase South Florida on a global scale and is expected to generate approximately $1.5 billion in economic impact for the community.

Deeply committed to supporting and uniting the South Florida community, Ross routinely leverages the platforms of the Dolphins, Hard Rock Stadium, Formula 1® Crypto.com Miami Grand Prix and Miami Open tennis tournament to make a lasting positive impact in the region. Under his stewardship, the Dolphins have raised nearly $90 million for local cancer research through the Dolphins Cancer Challenge, which is now the largest fundraiser in the NFL. In June 2020, Ross and the Miami Dolphins Foundation announced a year-long Food Relief Program with a $3 million investment and an additional $1 million from the Lennar Foundation. The initiative provided 1,000 meals each day from local minority-owned restaurants to churches, community groups and those in need during the pandemic. Through this program, the Dolphins' Community Restaurant Program was established, which continues to operate for numerous stadium and community events, along with the Formula 1® Crypto.com Miami Grand Prix, allowing local restaurants to showcase on a global stage. Furthermore, Ross has used his platform to harness the unifying power of sport to advance race relations across the country through the establishment of the nonprofit Ross Initiative in Sports for Equality (RISE). RISE was recognized in 2017 by ESPN's Humanitarian Awards with the Stuart Scott ENSPIRE Award, which celebrates people and organizations who have taken an innovative approach to help the disadvantaged through the power of sports. This also connects to Ross' vision of the Dolphins' FOOTBALL UNITES™ program to effectuate positive social change. Under his leadership, the Dolphins organization actively embraces the diversity and intersections that make up South Florida, working with groups to improve relationships and foster understanding. In February 2020, the Miami Dolphins were honored by the Fritz Pollard Alliance with the Paul J. Tagliabue Award for their leadership in advancing diversity. Ross was among Sports Business Journal's Leaders in Diversity and Inclusive Hiring honorees in March 2021.

In May 2013, Ross pledged to give more than half of his estate to philanthropic causes and charitable organizations, including South Florida-based institutions. The commitment was made through the Giving Pledge, a long-term global initiative that aims to inspire deeper engagement in philanthropy and increase charitable giving globally. He is also the largest single donor to the University of Michigan supporting the

Ross School of Business, critical athletic facilities, scholarships, career development programs and faculty recruitment.

Over the years, Ross has received numerous honors for his business, civic and philanthropic activities. In August 2019, Ross was inducted into the National Football Foundation Leadership Hall of Fame. The prestigious award recognizes the country's most influential individuals who have ascended to the highest levels of success and exhibited the critical leadership qualities that transcend ordinary enterprises. He also received the Jackie Robinson Foundation ROBIE Lifetime Achievement Award, which recognizes individuals who have dedicated their lives to promoting equal opportunity and inclusion.

Ross graduated from the University of Michigan with a Bachelor of Business Administration degree and from Wayne State University Law School with a Juris Doctor degree. He later received a Master of Laws in Taxation from New York University School of Law. In 2004, the University of Michigan renamed its business school the Stephen M. Ross School of Business at the University of Michigan and in 2011, the school awarded him an honorary Doctor of Laws degree at its commencement.

CHRIS GRIER

GENERAL MANAGER
COLLEGE: MASSACHUSETTS
NFL: 31ST SEASON
DOLPHINS: 26TH SEASON

Chris Grier serves as the general manager of the Miami Dolphins and oversees personnel and all football operations for the club. The 2025 campaign marks his 26th season with the franchise, rising from area scout to national scout, director of college scouting and general manager during that time. He was named general manager in 2016 and given full control of football operations in 2019.

The Dolphins have improved under Grier's leadership, posting five winning seasons, including four consecutive from 2020-23, a feat the franchise had not accomplished in more than 20 years. The Dolphins also reached the postseason in back-to-back seasons in 2022 and 2023, a first for the franchise since 2000-01. In team building, Grier has utilized all avenues to acquire talented players – providing youth, star power and depth to the roster. He has selected 11 players in the first round, seven of whom remain on the 2025 roster. Grier has evaluated and drafted 13 players who have signed contracts valued among the top 10 at their positions, including four of the highest paid, either for Miami or elsewhere. In 2024, this included wide receiver Jaylen Waddle and quarterback Tua Tagovailoa, securing their production for years to come with long-term contract extensions.

Grier has also acquired several impact players via free agency. The 2024 Dolphins free agent class included players such as tight end Jonnu Smith, who had a record season for the team in 2024, and notable starters like center Aaron Brewer, linebacker Jordyn Brooks and decorated defensive tackle Calais Campbell. Grier has also identified and added talent through the waiver wire – such as defensive tackle Zach Sieler, who had consecutive historic seasons for the Dolphins in 2024-25 – and with numerous undrafted college free agents who have gone on to become perennial starters for the club.

Since he took over football operations, Grier has not shied away from trades, making 44 over the past seven years. This includes two trades ahead of the 2025 season to acquire three-time first-team All Pro safety Minkah Fitzpatrick, whom Grier first drafted to the Dolphins in 2018, from the Pittsburgh Steelers in a blockbuster deal, as well as tight end Darren Waller from the Giants. Other notable trades include sending tackle Laremy Tunsil to the Houston Texans for a bevy of picks in 2019, trading for then-six time Pro Bowl wide receiver Tyreek Hill and Pro Bowl linebacker Bradley Chubb in 2022, and acquiring three-time All Pro cornerback Jalen Ramsey in 2023.

In 2024, the Dolphins won six of their last nine games after opening the season with a 2-6 record and improved in nearly every metric over the second half of the year. Tagovailoa led the league with a 72.9 completion percentage, which set a single-season franchise record and was the third-best mark in NFL history. Smith set franchise records by a tight end in receptions (88), receiving yards (884) and receiving touchdowns (8). Running back De'Von Achane, whom Grier selected in the second round of the 2023 NFL Draft, set franchise records in receptions (78) and receiving touchdowns (6) by a running back.

Miami's defense also had success in 2024, finishing fourth in total defense (314.4), marking the second consecutive year the Dolphins delivered a top-10 defensive finish. Sieler led the unit, recording 10-plus sacks (10.0) in back-to-back seasons, becoming the first Dolphin to do so since Cameron Wake (2016-17). Brooks recorded the most tackles (143) by a Dolphin since Pro Football Hall of Famer Zach Thomas. Linebacker Chop

Robinson, Miami's first-round selection (21st overall) in 2024, recorded the fifth-most sacks (6.0) by a rookie in franchise history.

On special teams, kicker Jason Sanders had a career year in 2024, with 37 field goals made, including 27 consecutive to close the season, a franchise record. Sanders also made nine-consecutive field goals of more than 50 yards, included several game-winning or game tying kicks, and was the only kicker in the NFL to make at least one field goal in all 17 games.

In 2023, Grier put together a roster that included 10 different players with a combined 33 Pro Bowl appearances, and six of the NFL's Top 100, as voted by the players. The 2023 Dolphins won 11 games for the first time since 2008, led by a historic offensive unit, and advanced to the postseason for the second consecutive year. Miami led the NFL in total offense (401.3) for the first time since 1994 and ranked second in scoring offense (29.2). Miami also had a top 10 defense (10th, 318.3 yards allowed per game) for the first time since 2010.

Several players delivered career seasons for the Dolphins in 2023. Tagovailoa became the first Dolphin to lead the league in passing yards (4,624) since Dan Marino in 1992. Hill became the first Dolphin to ever lead the league in receiving yards (1,799), setting a new single-season franchise record. Running back Raheem Mostert, a free agent signing in 2022, also broke team records for rushing touchdowns (18) and total touchdowns (23). Waddle became the first player in team record books with three straight 1,000-yard receiving seasons. The 2023 campaign also marked the first time in team history the Dolphins had a 4,000-yard passer, 1,000-yard rusher and two 1,000-yard receivers in the same season.

Defensively, the Dolphins shattered the team sacks record of 49.0 (1983 and 2005) with 56.0 sacks. Sieler, whom Grier signed to a contract extension shortly before the 2023 season, became the first Dolphins defensive tackle to ever top double-digit sacks (10.0) in a season. In his first full season with the club, Chubb had 11.0 sacks, the most by a Dolphin since 2017 (Cameron Wake). It was the first time Miami had teammates with double-digit sacks in the same season since 2003.

As a result of team success, Miami had six players selected to the Pro Bowl in 2023, tied for second-most in the AFC and fourth-most in the NFL. Three of those selections were first-time Pro Bowl players in Tagovailoa, Mostert and fullback Alec Ingold, whom Miami also signed as a free agent in 2022 and was extended at the start of the 2023 season. Hill was a unanimous first-team All-Pro selection and named to his eighth straight Pro Bowl. Ramsey earned his seventh consecutive Pro Bowl selection despite missing the first seven games of the season due to injury. Miami's sixth Pro Bowl selection was tackle Terron Armstead, whom Grier signed as an unrestricted free agent in 2022.

The 2022 season saw the Dolphins secure a playoff berth for the first time since 2016 after finishing with a 9-8 record. With a talented roster and under new head coach Mike McDaniel, the Dolphins delivered a top 10 total offense for the first time since 1995, ranking sixth (364.5 yards per game). Miami was second in yards per play (6.1) and fourth in passing offense (265.4).

Tagovailoa became the youngest NFL quarterback since Dan Marino in 1984 to lead the league in passer rating (105.5). He also led the NFL in red zone passer rating (112.2), third-down passer rating (130.1) and yards per attempt (8.9).

In Hill's first season with the team, he shattered his career highs and the franchise's single-season records for receiving yards (1,710) and receptions (119), finishing second in the league in both. His 1,710 receiving yards were the most by any player in NFL history in his first season with a new team. He earned first-team All-Pro honors and was selected to his seventh consecutive Pro Bowl.

Waddle also put together one of the best seasons by a receiver in Dolphins history in 2022, catching 75 passes for 1,356 yards and eight touchdowns. His 18.1 yards per catch led the NFL while his 1,356 receiving yards were third in Dolphins history. Hill and Waddle combined for 3,066 receiving yards, which was the third-most by a pair of teammates in a season in NFL history.

Defensively, Miami finished fourth in the league in rush defense (103.0) in 2022. Defensive tackle Christian Wilkins, whom Grier drafted in the first round (13th overall) in the 2019 NFL Draft, recorded a career-high 98 tackles, the most in a season by an NFL defensive lineman since 1994. Linebacker Jaelan Phillips, a first-round pick (18th overall) of Grier's in 2021, led the team in sacks for the second straight season with 7.0. Cornerback Xavien Howard (2016, second round) earned his fourth Pro Bowl selection.

In 2021, the Dolphins won eight of their final nine games, including their final six at home. Grier helped construct a defensive unit that featured eight starters drafted by the Dolphins and all 11 starters under the age of 30. The group scored five defensive touchdowns, its most in a single season since 2001.

Miami's 2021 draft class earned key roles immediately. Waddle broke the NFL's nearly 20-year-old rookie receptions record with 104 catches and became the first rookie in Dolphins history to total 1,000 receiving yards. Phillips broke Miami's rookie sack record and finished second among all NFL rookies in the statistic with 8.5. Safety Jevon Holland was the only player in the AFC in 2021 to have multiple sacks, interceptions and fumble recoveries. Offensive lineman Liam Eichenberg was one of just 10 NFL rookie offensive linemen to start at least 16 games.

Howard earned his third Pro Bowl selection in 2021 and Wilkins totaled 89 tackles, which was tied for the most by any NFL defensive lineman since 2013 before he topped that figure in 2022.

In 2020, the Dolphins won 10 games for just the second time in the past decade despite having the second-youngest roster in the NFL. The five-game improvement from 2019 was tied for the best in the league that season and the Dolphins set a team record by starting 10 different rookies that year.

With several offseason additions, Grier helped build one of the NFL's best defenses in 2020. Miami led the league in third-down defense (28.8 pct.) and takeaways (29) and finished sixth in scoring (21.1 points allowed per game).

Two of Grier's draft picks – Howard and Sanders (2018, seventh round) – earned first-team All-Pro honors in 2020, marking the first time since 2006 (Zach Thomas and Jason Taylor) the Dolphins had two first-team All-Pro honorees in the same season.

In 2019, when Grier was given full control of football operations, the Dolphins steadily improved despite having the youngest roster in the NFL, winning five of their final nine games. Wilkins led all rookie defensive linemen with 56 tackles, the fifth-most by an NFL rookie defensive lineman since 2015.

From 2016-18, Grier oversaw the draft and both pro and college scouting departments. He was responsible for the acquisition of multiple All-Pro and Pro Bowl players including Howard, Sanders, Tunsil, Fitzpatrick and wide receiver/returner Jakeem Grant. Other notable selections included linebacker Jerome Baker – a third-round pick in 2018 who went on to become a team captain and record 500-plus tackles in his first fives seasons in the league – and running back Kenyan Drake.

In his first draft as general manager in 2016, Grier selected Howard in the second round. In his first seven NFL seasons, Howard earned a first-team All-Pro nod (2020), was selected to the Pro Bowl four times (2018, 2020-22), led the NFL in interceptions in one season (2020), tied for the NFL lead in interceptions in another (2018) and totaled more interceptions than any other NFL player in that span.

Grier helped turn more than half the roster over in 2016, as the team entered training camp with more than 45 new players acquired during the offseason. The results were a four-game improvement from the previous season, the fifth-best mark in the NFL. The Dolphins finished 10-6 with a playoff berth, the team's best record and first playoff appearance since 2008.

From 2007-15, Grier served as the team's director of college scouting (2007-15). During that time, the Dolphins won the AFC East in 2008 and drafted seven players that combined for 14 Pro Bowl selections with the team. The list includes tackle Jake Long (2008-10), defensive tackle Paul Soliai (2011), punter Brandon Fields (2013), center Mike Pouncey (2013-15), safety Reshad Jones (2015, 2017), wide receiver Jarvis Landry (2015-17) and running back Jay Ajayi (2016).

Grier was also successful at finding value late in drafts. Jones, a fifth-round pick in 2010, was named the team's co-MVP following the 2015 season after he became the first player in team history to record at least 100 tackles, four interceptions and two sacks in a season. Ajayi was also a fifth-round pick (2015) and became the fourth player in NFL history to rush for 200 yards in three games during the same season. Ajayi's 1,272 rushing yards in 2016 were third-most in Dolphins history.

Prior to being the team's director of college scouting, Grier served as an area scout with the club from 2000-02, before being promoted to national scout/assistant director of college scouting in 2003. Miami won the AFC East during his first season with the team.

Grier began his career with the New England Patriots as an intern in 1994. He joined the club on a full-time basis the following year, serving as a regional scout until he joined the Dolphins in 2000. In 1996, Grier was part of a New England staff that won the AFC Championship. He helped scout many players for a Patriots roster that went on to win Super Bowls XXXVI, XXXVIII and XXXIX.

Grier has worked with several of football's most successful coaches and executives throughout his career, helping shape his football philosophy. His father, Bobby Grier, is the former vice president of player personnel for the Patriots and senior personnel advisor for the Houston Texans. Grier has also worked with and learned under Pro Football Hall of Fame coach Bill Parcells and legendary coaches Bill Belichick, Pete Carroll and Nick Saban.

Grier attended the University of Massachusetts-Amherst where he majored in journalism and played football for two years before injuries ended his career. He spent his final two years there as an undergraduate assistant.

Chris' brother, Michael, is currently the general manager of the NHL's San Jose Sharks. When Michael was appointed to the position in 2022, he became the first Black general manager in NHL history. Before his tenure in front offices, he played for the Edmonton Oilers, Washington Capitals, San Jose Sharks and Buffalo Sabres.

A native of Holliston, Mass., Grier and his wife, Paige, have two sons, Landon and Jackson.

MIKE McDANIEL

HEAD COACH
COLLEGE: YALE
NFL: 19TH SEASON
DOLPHINS: FOURTH SEASON

AFC CHAMPIONSHIP 2016, 2019

Mike McDaniel was named the 11th head coach of the Miami Dolphins on Feb. 7, 2022. The 2025 season marks McDaniel's 19th in the NFL, fourth with the Dolphins and fourth as a head coach.

The Dolphins have made significant strides collectively as a team and across all three units during his tenure as head coach. McDaniel led the team to the postseason in both 2022 and 2023, which marked Miami's first back-to-back playoff appearances in more than 20 years (2000-01). In doing so, McDaniel became just the third head coach in Dolphins history to make back-to-back playoff appearances in his first two seasons, joining Don Shula (1970-71) and Dave Wannstedt (2000-01). The Dolphins also produced a top-10 offense in 2022 (6th, 364.5 yards per game) and 2023 (1st, 401.3 yards per game), and a top-10 defense in 2023 (10th, 318.3 yards allowed per game) and 2024 (4th, 314.4 yards allowed per game).

In 2024, the Dolphins won six of their last nine games after opening the season with a 2-6 record and improved in nearly every metric over the second half of the year. The team was led by its fourth-ranked defense, which was the best mark by the franchise since 2010 and its first top five finish since 2006. The unit finished ninth in run defense (103.7) and was the only team to not allow a 100-yard rusher in 2024. In fact, Miami has not allowed a 100-yard rusher since Week 1 of the 2023 season. That 33-game streak is the longest active streak in the NFL and longest streak in franchise history since a 38-game streak (1970-73).

Defensive tackle Zach Sieler recorded 10-plus sacks (10.0) for the second consecutive season, becoming the first Dolphin to do so since Cameron Wake (2016-17). His 10.0 sacks in 2024 were the second-most among interior defensive linemen in the NFL and tied himself for the most by a defensive tackle in franchise history. His 20.0 sacks from 2023-24 are the most among interior defensive linemen in the NFL during that span. Defensive tackle Calais Campbell became the only player aged 38 or older to record 5-plus sacks (5.0) in franchise history. Linebacker Jordyn Brooks led the team in tackles (143), which were the most by a Dolphin since Pro Football Hall of Famer Zach Thomas (2006).

Offensively, Miami was one of four teams to have three players with 700-plus receiving yards, and the only team to have three players with 75-plus receptions. The offense set a franchise record in team receptions (413) and finished with the fourth-best average time of possession (31:43) in franchise history. Quarterback Tua Tagovailoa led the NFL in completion percentage (72.9) and red zone passer rating (120.2). His completion percentage was the best mark in franchise history and third best in NFL history. Tight end Jonnu Smith had the best season of his career in McDaniel's offense and broke team records by a tight end for receptions (88) and receiving yards (884), which stood since 2004 (Randy McMichael), and receiving touchdowns (eight). Running back De'Von Achane led NFL running backs in receptions and receiving yards, tallied the third-most scrimmage yards (1,499) by a running back in franchise history and became the first Dolphin to record at least 750 rushing yards and 500 receiving yards in a single season.

On special teams, kicker Jason Sanders had a career year in 2024, with 37 field goals made, including 27 consecutive to close the season, a franchise record. Sanders also made nine-consecutive field goals of more than 50 yards, included several game-winning or game tying kicks, and was the only kicker in the NFL to make at least one field goal in all 17 games.

In 2023, the Dolphins recorded their first 11-win season in 15 years and led the league in total offense (401.3) for the first time since 1994, with McDaniel serving as the offensive play-caller. The unit also led the league in passing offense (265.5), yards per carry (5.1) and quarterback hits allowed (59), while finishing second in scoring offense (29.2). Tagovailoa led the NFL in passing yards (4,624), something a Miami quarterback had not done since 1992 (Dan Marino). Running back Raheem Mostert (1,012) had his first 1,000-yard rushing season at 31 years old and broke team records for rushing touchdowns (18), which stood since 2002 (Ricky Williams), and total touchdowns (21), which stood since 1984 (Mark Clayton). Wide receiver Tyreek Hill (1,799) had the seventh-most receiving yards in NFL history and broke his own team record set a season prior. Wide receiver Jaylen Waddle (1,014) became the first player in team history to post three consecutive 1,000-yard receiving seasons. It was the first time in team history that Miami had a 4,000-yard passer, 1,000-yard rusher and two 1,000-yard receivers in the same season.

McDaniel helped six Dolphins reach the Pro Bowl – Hill, Tagovailoa, Mostert, fullback Alec Ingold, tackle Terron Armstead and cornerback Jalen Ramsey – something the team had not accomplished since 2002. Tagovailoa became the first Dolphins quarterback to be selected to the Pro Bowl since Dan Marino in 1995. Ingold and Mostert also earned their first career Pro Bowl nods. In addition to his eighth straight Pro Bowl,

Hill earned unanimous first-team All-Pro honors.

Miami's defense finished in the top 10 in total defense (10th, 318.3) for the first time since 2010 in McDaniel's second season. The Dolphins posted a team-record 56.0 sacks and defensive tackle Zach Sieler became the first defensive tackle in Dolphins history with double-digit sacks (10.0) in a season. Miami had a sack in all 17 regular-season games and had four interceptions returned for a touchdown, the second-most in single-season team history. The Dolphins had a takeaway in 12 consecutive games to finish the season, including the playoff game.

In his first season at the helm, McDaniel became the fifth coach in Dolphins history to lead his team to the playoffs and just the sixth to post a winning record (9-8) in his first year. Under his leadership, four players earned Pro Bowl selections – Armstead, Hill, linebacker Bradley Chubb and cornerback Xavien Howard. It marked the team's most Pro Bowl selections since 2016. McDaniel led the team to a playoff berth for the first time since 2016 despite starting three different quarterbacks throughout the season.

As the offensive play-caller, McDaniel helped the Dolphins offense finish in the top 10 for the first time since 1995. Miami averaged 364.5 yards per game, which ranked sixth in the league, and 6.14 yards per play, which was second. The Dolphins finished 11th in scoring offense (23.4 points per game), the team's best finish since 2014.

Several players had the best seasons of their career in their first year in McDaniel's offense. Tagovailoa led the NFL in passer rating (105.5), becoming the youngest NFL quarterback to do that since Dan Marino in 1984. He also led the league in red zone passer rating (112.2), third-down passer rating (130.1) and yards per attempt (8.9). Tagovailoa's 3,548 passing yards and 25 passing touchdowns were both career highs.

Hill broke an NFL record for most receiving yards in a player's first season with a new team with 1,710. That mark also broke Miami's single-season franchise record that stood for nearly 40 years (Mark Clayton, 1,389 yards in 1984). Hill's 119 receptions were also a Dolphins record and those two totals ranked second in the NFL in 2022. Hill earned his seventh consecutive Pro Bowl selection.

Another player who thrived in McDaniel's offense was Waddle. In his second NFL season, Waddle caught 75 passes for 1,356 yards and eight touchdowns, leading the league in yards per reception (18.1). His 1,356 receiving yards were third in single-season team history behind Hill and Clayton. Waddle nearly doubled his yards after catch under McDaniel, averaging 6.7 YAC per reception in 2022 compared to 3.5 in 2021.

Hill and Waddle combined for 3,066 receiving yards, which was the third-most by a pair of teammates in a season in NFL history and more than two entire teams had in 2022.

Defensively, Miami ranked fourth in run defense, limiting opponents to 103.0 rushing yards per game. Defensive tackle Christian Wilkins totaled a career-high 98 tackles, the most by an NFL defensive lineman in a season since 1994. Linebacker Elandon Roberts (104) and Sieler (70) also set career highs in tackles.

Prior to Miami, McDaniel spent five seasons (2017-21) with the San Francisco 49ers where he was the team's run game specialist in 2017 before being promoted to run game coordinator in 2018 and again to offensive coordinator in 2021.

In McDaniel's lone season as offensive coordinator, the 49ers finished seventh in the NFL in total offense (375.7 yards per game) and 13th in scoring offense (25.1 points per game) while advancing to the NFC Championship game. San Francisco's offense was balanced, ranking seventh in rushing (127.4) and 12th in passing (248.3). Wide receiver Deebo Samuel recorded 1,405 receiving yards, the most by a 49er since wide receiver Terrell Owens in 2001, and fifth-most in the NFL that season. The 49ers offense had four players earn Pro Bowl selections – Samuel, fullback Kyle Juszczyk, tight end George Kittle and tackle Trent Williams. Williams also earned All-Pro honors.

McDaniel served as San Francisco's run game coordinator from 2018-20. The 49ers ranked fifth in the NFL in rushing in that span, averaging 127.0 yards per game, despite having a different leading rusher in all three seasons.

In 2020, San Francisco had several injuries at the running back position and still finished in the top half of the league with 118.1 rushing yards per game. Juszczyk and Williams earned Pro Bowl selections and Williams was also named All-Pro.

McDaniel helped the 49ers have one of the league's most effective rushing attacks in 2019 as San Francisco went 13-3, winning the NFC and advancing to Super Bowl LIV. The 49ers had the NFL's second-ranked rushing offense, averaging 144.1 yards per game. Juszczyk was named to the Pro Bowl at the end of the season.

In 2018, the 49ers had four different backs rush for at least 200 yards. The 49ers finished 13th in the league in rushing (118.9). Juszczyk was named to the Pro Bowl at the end of the season.

As run game specialist in 2017, McDaniel helped the 49ers rush for 1,662 yards and 15 rushing touchdowns in a season where they were forced to use three different starting quarterbacks due to injury. Juszczyk and tackle Joe Staley earned Pro Bowl selections.

Prior to San Francisco, McDaniel spent two seasons (2015-16) as an offensive assistant with the Atlanta Falcons. During his tenure, the Falcons had the second-best total offense (394.9) and third-best scoring offense (27.5) in the NFL. Atlanta's passing attack ranked second (284.5).

In 2016, Atlanta led the NFL in scoring, averaging 33.8 points per game, en route to finishing 11-5 and winning the NFC to advance to Super Bowl LI. The Falcons had the second-best total offense (415.8), third-best passing offense (295.3) and fifth-best rushing offense (120.5). Four different Falcons earned Pro Bowl selections – Ryan, Jones, running back Devonta Freeman and center Alex Mack. Ryan, Jones and Mack also

earned All-Pro honors.

The 2015 Falcons offense ranked in the top 10 in passing (273.7) and total offense (374.1). Wide receiver Julio Jones, with whom McDaniel worked closely, led the NFL with 1,871 receiving yards, also a Falcons franchise record. Freeman, Jones and fullback Patrick DiMarco all earned Pro Bowl selections and All-Pro honors.

McDaniel spent the 2014 season as wide receivers coach for the Cleveland Browns. In his lone season there the receivers unit helped quarterback Brian Hoyer post the only 3,000-yard passing season of his career.

McDaniel's first job as an NFL position coach came in 2013 with Washington when he was promoted to wide receivers coach. Wide receiver Pierre Garçon had the best season of his 11-year NFL career, leading the NFL with 113 receptions.

McDaniel spent the 2011-12 seasons with Washington as an offensive assistant. On those staffs, McDaniel worked with current NFL head coaches Matt LaFleur (Green Bay), Sean McVay (L.A. Rams) and Kyle Shanahan (San Francisco).

In 2012, Washington led the league in rushing (169.3) and finished 10-6, winning the NFC East. The team was fourth in scoring offense (27.3) and fifth in total offense (383.2).

From 2009-10, McDaniel served as running backs coach for the Sacramento Mountain Lions of the United Football League, where he worked for former NFL head coach, Dennis Green.

McDaniel was an offensive assistant for the Houston Texans from 2006-08 where he worked under three different offensive coordinators in three seasons – Troy Calhoun (2006), Mike Sherman (2007) and Kyle Shanahan (2008).

His first NFL coaching position came as a coaching intern with the Denver Broncos in 2005.

A native of Greeley, Colorado, McDaniel played wide receiver at Yale, where he graduated with a degree in history. He and his wife, Katie, have one daughter, Ayla.
